Ultra Aesthetics

4-STEP SKIN CARE SYSTEM

Ultra Botanicals Rejuvenating 4-Step Skin Care System

Follow these steps twice daily for *firmer, healthier, younger-looking* skin. Find a greater *peace of mind* because you are taking responsibility for making *positive changes* in your life.

STEP 1: CLEANSE & EXFOLIATE

MSM FACIAL WASH is a gentle daily cleanser with Alpha Hydroxy Acids to promote quicker exfoliation of the skin. People with very oily skin may wish to consider using it twice daily, while people with very dry skin may wish to use it every other day or not let it sit on the skin for very long. Leaves your skin beautifully clean, smooth, and clear.

MSM FACIAL SCRUB should be used 2-3 times weekly for gentle exfoliation. Natural jojoba beads sweep away dead skin cells and reveal younger, more vital-looking skin. Rosemary and tea tree oil fight breakouts and create an exhilarating aroma.

MSM BODY SCRUB contains jojoba beads and crushed apricot kernels that refine and polish the skin's surface leaving it softer with a healthy, natural glow. Invigorating peppermint oil acts as a natural deodorizer while making skin feel cool and fresh.

ALPHA LIPOIC ANTI-AGING TREATMENT MASK is a powerful blend of anti-oxidants and deep cleansing ingredients. Use 2-3 times weekly this amazing mask will transform the look and feel of your skin, leaving it instantly firmer, clearer and more radiant.

STEP 2: TONE

MSM TONER is a gentle toner with witch hazel, aloe vera and essential oils of lemon and orange that soothes the skin as it tones, unlike many standard, alcohol-based toners that can be extremely drying. MSM Toner helps to restore the proper acid balance (pH balance) to the acid mantle, a protective barrier of the skin. MSM Toner also helps tighten the skin, reduce the appearance of large pores, and has antibacterial properties.

STEP 3: NOURISH

ALPHA LIPOIC ACTIVATING SERUM contains a special ingredient complex known as ACS III Complex that has clinical studies showing that it specifically stimulates the production of restructuring collagen, a substance that may visibly reduce the signs of aging such as fine lines and wrinkles. This Serum is especially helpful for mature or environmentally stressed skin. Additionally, it contains Alpha Lipoic Acid, CoEnzyme Q10, DMAE Complex, and Ascorbyl Palmitate.

OR

MSM SERUM C is a wonderfully quick-absorbing, nutrient-rich serum. It delivers the protective and nourishing properties of vitamin C in its most stable, potent form. With daily use, the appearance of fine lines and wrinkles is diminished. Skin feels firmer and smoother.

STEP 4: MOISTURE THERAPY - Your Prescription for Healthy Skin

ALPHA LIPOIC REVITALIZING MOISTURIZER or MSM MOISTURE CRÈME both are intensely nutrient-rich crèmes featuring effective levels of some of the most powerful ingredients available in skincare products today. The ALPHA LIPOIC REVITALIZING MOISTURIZER additionally contains Alpha Lipoic Acid, CoEnzyme Q10, DMAE Complex, and Ascorbyl Palmitate. Regular use helps skin look younger, firmer and clearer.

OR

MSM WRINKLE CRÉME is a light moisturizer offering a special ingredient complex known as ASC III Complex which has been proven in clinical studies to stimulate the production of restructuring collagen, a substance that may visibly reduce the signs of aging such as fine lines and wrinkles. This rich crème is especially helpful for mature or environmentally stressed skin.

AND

ALPHA LIPOIC FIRING EYE CRÉME or MSM EYE CRÉME, both of which combine moisturizing, firming and puffiness-reducing properties all in one product designed for the sensitive skin around the eyes. The ALPHA LIPOIC FIRING EYE CRÉME additionally contains Alpha Lipoic Acid, CoEnzyme Q10, DMAE Complex, and Ascorbyl Palmitate.

AND

ALPHA LIPOIC HYDRATING LOTION, MSM BODY LOTION - KIWI, and MSM BODY LOTION - UNSCENTED all offer moisturizing benefits for the entire body and offer the unique properties of MSM along with other powerful nutrients to condition, protect and restore the skin. The MSM lotions can also be used topically to help soothe aching muscles and joints. The ALPHA LIPOIC HYDRATING LOTION also contains Alpha Lipoic Acid, CoEnzyme Q10, DMAE Complex, and Ascorbyl Palmitate.

Using a firming product twice daily maximize results and insures additional protection 24 hours a day.
